

6 March 1973

MEMORANDUM FOR: Dr. John Tietjen

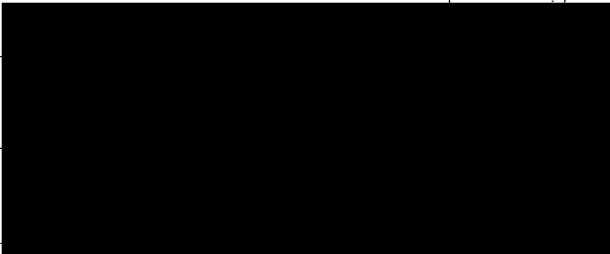

SUBJECT : Presentation on Drug Abuse

25X1A 1. Recently I had occasion to hear a very impressive
briefing on Drug Abuse by a member of our [REDACTED] 25X1A
[REDACTED] who until his retirement from
25X1A the Service was the [REDACTED] representative at the Center and is
now an Agency contract employee at [REDACTED] has been active in the 25X1A
field of drug abuse and possesses first-hand knowledge of the
sordid problems involved.

2. He has spent considerable hours of his own time on the
streets and in the hospitals administering to the needs of drug addicts.
As a consequence, he has developed a 45-minute presentation which
consists of a narrative accompanied by slides depicting a realistic
portrayal of the drug scene which in my judgment is one of the most
forceful presentations I have had occasion to view. [REDACTED] has
given his presentation to several civic, church and school groups
throughout the metropolitan area. I have asked him to plan to be
at GA-13 on 14 March 1973 at 1000 hours in order that other Agency
officers may have the benefit of his briefing. You are cordially
invited to attend this presentation, and I assure you that it will be
time well spent.
